

ISHM REPORT 2008

In October 2007, the ISHM held its 4th International meeting in Figline-Valdarno, Tuscany, Italy. Congresses are held on alternate years. The theme of the October meeting for which 120 participants registered was *Medicine & Air*. The previous meeting in Patras, Greece offered the theme *Medicine and Water*. The next meeting to be held in Cypress in 2009 will feature the theme *Medicine and Fire*.

The 41st International Congress of History of Medicine will be held September 7 – 12, 2008 in Mexico City. For further information contact cviesca@frontstage.org.
