

Shryock Medal Committee (Beth Linker, Chair)

Report of the Shryock Medal Committee
Annual Meeting, 2009

This year's Shryock Medal Committee, which was comprised of Dayle DeLancey, Heather Perry, Sally Romano, Thomas Schlich and Beth Linker (Chair), has chosen a winner.

On behalf of the 2009 Committee, I am pleased to report the winners of this year's competition for the 2009 Welch Medal:

The Medal goes to:

Andrew T. Simpson, Carnegie Mellon for his paper
"Transporting Lazarus: EMS Policy Making and Professionalization, 1966-1973".
Advised by Caroline J. Acker

Honorable Mentions go to:

Katja Guenther, Harvard University for her paper
"A Federation of Nerves—Metaphors of the Nervous System in Imperial German Neuroscience"
Advised by Anne Harrington

Julia F. Irwin, Yale University for her paper
"Nurses without Borders: Health, Medicine, and the Structure of American Global Power"
Advised by John Harley Warner

Submitted by,
Beth Linker
