Themed Breakfasts

This year you have the option to sign up for themed breakfasts on Friday and Saturday. Themed breakfasts provide an opportunity to meet new members and connect with individuals who share your interests. If you have signed up at the conference registration desk in advance, pick up your breakfast at the continental buffet and take it to Franklin C, where each table will be labeled with a different theme. On Friday, the themes have already been set; you choose the themes for Saturday. The seven Friday themes are:

- Science, medicine, and technology
- Global health
- Race and disease
- Disability
- Medieval and early modern medicine
- Medicine, literature, and film
- Gender

Anyone who wants to suggest a theme for a Saturday breakfast table should visit the registration desk before the registration desk closes on Friday, April 26. If there are still blank sign-up sheets available, write a general theme at the top of the sheet and sign your name. Or, if a sheet already has a theme at the top that interests you, sign up on the sheet if the table still has space.

Seats at the themed breakfasts are available on a first-come, first-serve basis. Each breakfast table in Franklin C is limited to 10 people, so please sign up as early as possible at the registration desk for either a Friday or a Saturday themed breakfast and sit only at the table you signed up for. Borrowing chairs from other tables is not permitted.

Please note that the Women Historians' Breakfast will also be held on Saturday morning, and it will feature its own set of themed tables.

Lunch Sessions

Pre-registration is required for Friday and Saturday lunch sessions (L1–L6). Each registration includes lunch served buffet-style adjacent to the meeting room. Pick up your lunch on the way into the session. Be sure to have your lunch ticket. On-site lunch orders are **not** available. Tables at the front of each lunch session room are reserved for registrants. Others may attend a lunch session only if space permits.
