Report of the Estes Award Committee  
AAHM Annual Meeting, 2011

The Estes Award Committee, comprised of David Courtwright, Dominique Tobbell, and John Swann (Chair), reviewed eleven publications for the 2011 award.

This year's winner is Jeremy A. Greene (Harvard) and Scott H. Podolsky (Harvard), "Keeping Modern in Medicine: Pharmaceutical Promotion and Physician Education in Postwar America," which appeared in the Bulletin of the History of Medicine 83 (2009).

Submitted by John Swann, March 2011.
