**The Expressiveness of the Body
and the divergence of Greek and Chinese Medicine**
by Shigehisa Kuriyama

"Kuriyama frames the contrast between medicine in China and in the West with a brilliant and marvelously detailed analysis of ancient Greek and Chinese medicine. All told, this is an astonishingly original reading of early medicine."

— Arthur Kleinman, Harvard Medical School and Harvard University

Awarded the Welch Medal by the American Association for the History of Medicine (2001) and the Award for the Achievement of Excellence by the Oriental Medicine Journal (2000).
